

ABQIS Parent Teacher Association

Dear ABQIS Families,

It is my great pleasure to welcome back all returning families and all new ones. I am honored to volunteer as your PTA Head for the academic year 2017-2018. Working alongside of me is a great group of parent volunteers. Our primary goal is to work closely with the school to ensure a successful education system for all the students in kindergarten, primary and secondary. As Gandhi said: "By education, I mean an all-round drawing of the best in child and man in body, mind and spirit".

The PTA Board consists of four subcommittees: 1) Educational and Students affair, 2) Health, Safety and Environmental awareness 3) Social and 4) Activities, events and programs. The names of the members and contact information of each subcommittee is available on the school's portal. Also, our activities, meetings and achievements will be posted on PTA page.

In order to achieve our goal, your participation is essential. Many of you feel that they cannot be part of the PTA due to their personal and work commitment. However, you can still participate with your ideas, suggestions and talents. Your participation is truly needed for the PTA to be effective and representative. **Not only the PTA needs your participation but also your child needs it.**

On behalf of the PTA Board, I would like to thank you in advance. Should you have any questions, please feel free to contact us. Have a wonderful and productive school year and wishing all the children a successful year.

Sincerely,

Marwa Abdullah Al Kalbani

PTA Head
